

West Monkton Parish Council

Our Vision

For 2023/24

Environment

- Continuing to deliver the vision for the Country Park
- Garden Town Development in Monkton Heathfield
- Continue to run a program of events and initiatives to make changes that improve our carbon footprint
- Develop community spaces including 'Our Community Garden'
- Develop other open spaces when transferred to the Parish Council
- Develop and deliver sports pitches for the benefit of the community.

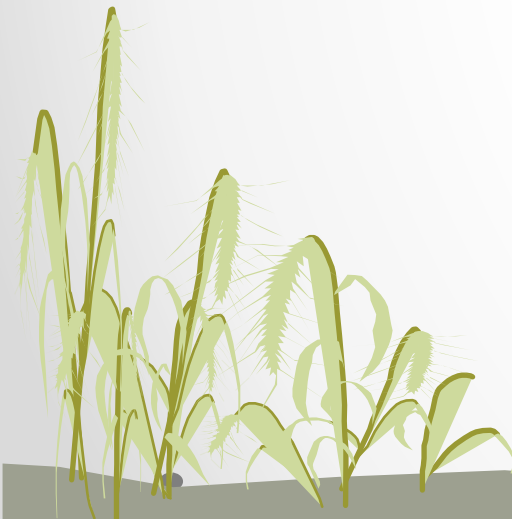

Community

- Continue to organise events that bring the old and new communities together, events in Maidenbrook Country Park, Community Quiz Nights at Tacchi Morris and more...
- Continue to support and develop community groups and projects: Café, Garden, Fridge, Stay and Play Groups
- Individual and Group Grant Applications continue
- Develop a Community Transport Scheme to meet the needs of the community.

Our Parish Council

- Continue to be a proactive Parish Council
- Take an active role in the Hestercombe Local Community Network
- Building a strong partnership with the New Somerset Council
- Use the Community Infrastructure Levy received from new development to deliver needed infrastructure for our Community, including play equipment, bus shelters and much more.

Local Community Network Areas
